**7. Reactions to District Convention**

There was a discussion about Convention. Reactions were positive. Points noted Speakers were brief and to the point. International Guests were inspirational. Formula was good pity so few Lions make the effort to attend.

There was a further discussion on the Issue of Event insurance/safety and Health and safety assessments. Ray Stephens had raised the issue at Convention. It was the hoped that Cabinet members would encourage their own Clubs to compete the required return. Clubs had to get to understand it was not optional, one club failing to understand their responsibility were a danger to all clubs.

**8. AOB**

DG Rav thanked everyone involved in organising Convention which had been so successful.
